NCT GROUP INKS MoUs WITH TAR UC, VTAR

Property developer seeks to develop new talents in TVET institutes

KUALA LUMPUR

PROPERTY developer NCT Group of Companies signed two memoranda of understanding (MoU) with tertiary institutions yesterday to support Fourth Industrial Revolution (Industry 4.0) initia-

tives and develop a talent development and internship programme for students in technical and vocational education and training (TVET) institutes.

NCT Group co-founder and executive director Datuk Yap Fook Choy said this would allow the company to expand and share its expertise with the students while providing them with real-life understanding of the industry and its expectations.

He said NCT Group was focusing on Industry 4.0 and TVET given their potential to improve the wellbeing of the society.

The MoU was initiated with Tunku Abdul Rahman University College (TAR UC) and VTAR Institute (VTAR) in Kuala Lumpur.

NCT Group was represented by Yap at the signing ceremony, TAR UC by its president Prof Dr Lee Sze Wei and VTAR by its chief executive officer, Tan Cheng Liang.

The ceremony was also witnessed by TAR UC dean of the faculty of applied science Assoc Prof Dr Loke Chui Fung and VTAR chairman Datuk Yoo Wei How.

The MoUs sought to provide

educational opportunities and industry experiences to students and foster a competent workforce for the industry.

Tan said he looked forward to this initiative in grooming future employees.

"With industries are evolving at

a faster pace, there is a greater need to shape more resilient and ambitious students who can adapt to the changing business environment and, most importantly, drive innovation to achieve the collective goal of an organisation."
